

REMARKS

Claims 11 and 14-23 were to be pending with entry of the Preliminary Amendment dated May 7, 2004, with claims 1-10 and 12-13 being cancelled and claims 14-23 being newly added therein. In such Preliminary Amendment, however, the formatting showing changes to claim 11 (which was amended to stand as an independent claim incorporating prior limitations from claim 1) was incorrect. Therefore, in response to the Notice of Non-Compliant Amendment mailed April 20, 2005, Applicants herein submit a complete Listing of Claims showing correct deposition of all claims. Applicants respectfully request that the above-corrected section of the Preliminary Amendment filed by Applicants on May 7, 2004 be entered.

In view of the foregoing, Applicants believe all sections of the amendment filed May 7, 2004 are now in proper form. If the Preliminary Amendment is still deemed not to be in proper form after consideration of this response (in combination with the amendment filed May 7, 2004), a telephone interview with the Examiner is hereby requested. Please telephone the undersigned at (510) 769-3507 to schedule an interview.
